

2009 PHYC/SYC RACE COMMITTEE RACE COMMITTEE BOAT & GENERAL RESPONSIBILITIES
--

GENERAL RESPONSIBILITIES

Race Shack Coordinator:

1. Organize and maintain in working order all race equipment for day of race.

Fleet Captain:

1. Will provide scratch sheets prior to the race
2. Provide logistic support for Race Committee and Race Chairman

Race Chairman:

1. Communicate with appropriate people at both clubs.
2. Confirm that SYC will have a finish crew at the race shack when needed.

Class Captains:

1. Completing the Committee Boat Form
2. Class Captains are responsible for committee boat assignments (if not completed prior) and informing the Race Chairman & Principal Race Officer of the details of these assignments. Class captains are responsible for providing for the duration of the race a competent race committee, plus names and phone numbers of seven additional personnel and skipper to supplement the race officers on the assigned day shown on the race schedule. The fleet personnel will function under the direction of the Principal Race Officer of the day.
3. Provide location of committee boat and pick-up point for race equipment and PRO to the CBC five days before race (if not completed prior).
4. Inform committee boat crew of departure times and finalize any arrangements three days before race.
5. Crew to provide their own life jackets, binoculars, foul-weather gear, lunch, etc

Committee Boat Owner:

1. Skipper, in addition to the boat, to supply ground tackle including at least six feet of chain, 150 feet of anchor line, appropriate anchor for the conditions, and sufficient fuel for the day, taking into account that the motor may have to be run during start sequence if secure anchoring is not feasible.
2. Finalize above arrangements three days before race, making sure all personnel have been informed.
3. Due to border security issues PHYC RC boats are discouraged from docking at SYC.

PRO

1. Is responsible for the providing complete direction for all race management decisions for the duration of the day.
2. Must complete a PRO report.
3. Must supply all finish times when appropriate.

Contact information:

Names and contact information for Race Committee Chairman, PRO's, Fleet Captains, and others is found in the 2009 Race Program.
