

PHYC/SYC CRUISING CLASS REGISTRATION - 2009 SEASON

Name: _____ E-Mail: _____

Address: _____

City, State, Zip: _____

Phone Number: _____

Boat Name: _____ Make/Length: _____

Handicap (if known): _____ 2008 LPHRF Certificate? Yes or No

Sail Number: _____ Color of Hull: _____

NOTE: Class splits for Spring/Fall and Special Series Races will be determined by number of boats registered and their handicaps to provide for balanced classes. Please insure that you check the PHYC/SYC Fleet Registration prior to racing. Official registration will be posted at the clubs. This will also be posted and can be viewed at WWW.PHYC.ORG but will not be considered official. **YOU MUST ALSO REGISTER WITH PHYC/SYC!**

All boats must fill out and send in LHPRHF ratings application (PHYC/SYC PHRF Dues are not required unless you will also be sailing in PHRF classes. There is no charge for renewals of PHRF certificates if applied for by March 15.)

Spring/Fall Series class you will race in: Asymmetrical Main & Jib Not Racing in Cruising

Special Series class you will race in: Spinnaker Asymmetrical Main & Jib Not Racing in Cruising

The Cruising Class Fee is \$5.00 (U.S. Funds) for RENEWAL if paid prior to March 15. All NEW registrations and those after March 15 are \$15.00 (US Funds). All fees must be paid at the time of registration. All boats must also be registered with PHYC or SYC Race Program and have a valid 2009 LPHRF rating. Please make checks payable to **Steven Styles**.

Return registration form and fee to: **Steven Styles**
445 Hemlock Lane
Marysville, MI 48040

Attention: **REGISTRATIONS AFTER MARCH 15 SUBJECT TO \$10 LATE FEE.** If your registration form and fee has not received 72 hours prior to your first race, no times will be taken. **NO BACK RACES WILL BE TAKEN INTO ACCOUNT.**

In order to make the race program work, you or your crewmembers should consider volunteering for one of our class Race Committee (RC) assignments. This could be as a RC boat or as part of RC. If we do not have participation through volunteers, the RC responsibilities may be assigned on a rotating basis. No experience or training is required. You will be notified of any proposed assignments at the beginning of the race season. Also, help for the class parties would be appreciated.
